### **Driving to the Ranch from D/FW Airport**

**Take the NORTH exit from all terminals at the airport.** The first highway you encounter is Texas Hwy 114. Take Hwy 114 going WEST as you depart the airport.

**Continue past the Airport on State Highway 114, passing by Grapevine and South Lake,** all the way until it merges with U.S. 287, which comes north out of Ft. Worth. An obvious landmark you pass before you get to U.S 287 is the Texas Motor Speedway on 114 at the intersection of I-35W. There are several exits along the way, which are Highway 114 Business routes. Do not take any of these. Just stay the course on the main Highway 114.

The Ranch is beyond the Texas Motor Speedway to the west by about 14 miles.

Continue past the Texas Motor Speedway at I-35W. When you reach Rhome, Highway 114 merges into US 287. We are beyond the Texas Motor Speedway by about 14 miles.

When you reach Rhome, Hwy 114 merges into US 287. Follow the left sign **North and West**

□

This is the view on Hwy 114 just before merging with Hwy 287. Go North & West. (left sign)

◀ After merging onto Hwy 287, the first advance notice of the exit to Bridgeport is on the overpass. You will be taking the right sign, Exit Hwy 114 to Bridgeport.

◀ This is the exit sign to Bridgeport, Hwy 114. It is the very first exit on Hwy 287 after you merged onto it.

◀ After you Exit from Hwy 287 onto the Bridgeport Hwy 114 Exit, you come to a **stop sign**. Turn Left to take Hwy 114 to the West.

◀ Driving west, shortly you will see the Aurora City limit sign. Continue West to the **Aurora Baptist Church sign** on the right. That sign will be 1.6 miles from US 287, west on 114.

Turn right, at Aurora Baptist Church sign, which is Derting Road, going north. Derting Road will wind around several turns.

From Highway 114, drive north on Derting Road. It winds for a mile long. We are 6/10's of a mile along that road.

Stop at 805 East Derting Road on the left side. The address and "D A Sharpe" are on a large black mailbox at the driveway entrance

### *Home, sweet home .....*

Turn left into the driveway (north), and our house is the brick one on the right (as opposed to the more distant one on the left.)
