Taking Interstate 35W south out of Denton:

Drive south till you see the Texas Motor Speedway to the west side of the highway (right side). Take the Exit to State Hwy 114 at the Texas Motor Speedway. The Ranch is about 14 miles to the west from that point.

Continue west on Hwy 114 from the Texas Motor Speedway.

When you reach Rhome, Hwy 114 merges into US 287. Follow the left sign **North and West**

- View on Hwy 114 just before merging with Hwy 287. Go North & West. (left sign)

◀ After merging onto Hwy 287, the first advance notice of the exit to Bridgeport is on the overpass. You will be taking the right sign, Exit Hwy 114 to Bridgeport.

◀ This is the exit sign to Bridgeport, Hwy 114. It is the very first exit on Hwy 287 after you merged onto it.

◀ After you Exit from Hwy 287 onto the Bridgeport Hwy 114 Exit, you come to a **stop sign**. Turn Left to take Hwy 114 to the West.

◀ Driving west, shortly you will see the Aurora City limit sign. Continue West to the **Aurora Baptist Church sign** on the right. That sign will be 1.6 miles from US 287, west on 114.

Turn right, at Aurora Baptist Church sign, which is Derting Road, going north. Derting Road will wind around several turns.

From Highway 114, drive north on Derting Road. It winds for a mile long. We are 6/10's of a mile along that road. Stop at 805 East Derting Road on the left side. The address and "D A Sharpe" are on a large black mail box at the driveway entrance

Home, sweet home

Turn left into the driveway (north), and our house is the blue-roofed one on the right (as opposed to the more distant one on the left.)
