Pastor George Pearsons

Eagle Mountain International Church
Kenneth Copeland Ministries
Fort Worth, TX 76192

Dear Pastor George:

It is such a blessing to keep seeing you hit home runs in God's Kingdom as you serve him in the preaching ministry among us! It is just superb the skill with which God has blessed you that enables such crafting of the messages. They are so well prayed through, well thought out and so effective.

The Redemption Code is just another in that long line of superior creativity that you have used in getting God's word inculcated into our hearts and minds. Thank you for your faithfulness to us, the members. We appreciate you so much.

It is our privilege for Suzanne and me to serve Jesus Christ at EMIC and we are genuine supporters of the ministry here. I just wanted to express a good word to you and to encourage you in all that you do.

Yours in Christ,
